EPO Exclusive Provider Organization	Aetna EPO; Anthem Blue Access Gated EPO; Anthem EPO	• Defined network • No out-of-network coverage • No primary care physician • No referrals
POS Point of Service	HIP POS	• In and out of network • Negotiated rate for in network • Deductibles for out of network
PPO Preferred Provider Organization	NYCE PPO	• In and out of network • Negotiated rate for in network • Deductibles for out of network

Choosing a plan

Coverage

Look for the services you use most.

Doctor choice

Make sure your preferred doctors are covered. If not, understand the fees for non-participating providers.

Access

Consider where participating doctors' offices and hospitals are located.

Cost

Think about the services you expect to use and what they will cost.
